

# AIR Programs

Tutorial Program

Date: 3-31-09

**Descriptions:** The AIR Program tutorial project, in an effort to have all parties to understand our timeline and progress through these meetings will follow the general schedule for its meetings. This is only a general meeting schedule and can change based on student and number of students attending at any one time.

**Weekly Meetings:** AIR Tutorial meets on Tuesday and Thursday from 5:00 pm to 7:00 pm on each day. Our meetings are set only for the time due to room availability on campus and we are bound to such allocations.

## AIR Tutorial Schedule:

Time	Activity	Description
5:00-5:15 pm	Arrival and brief social interaction	We will have check in with all tutors and students and a brief social interaction activity to make all aware of participants. This is done as we want students and tutors to be aware of those who will be participating within the program for the day ( <i>safety</i> ) and to have everyone to become familiar with each other.
5:15-6:00 pm	Tutoring ( <i>Session 1</i> )	At this point we will take the students in on our first tutorial session and help and assist our students in areas that they need academic help.
6:00-6:15 pm	Group Activity	A mid program break and a chance for students to interact with each other.
6:15-6:50 pm	Tutoring ( <i>Session 2</i> )	Our second session in which we take the students into our tutorial session and help and assist our students in areas that they need academic help.
6:50-7:00 pm	Parent wrap up and end of session	At this point we have our students reports filled out with parental reporting on the student's progress.
