

## To get to Arts and Letters Building

Get off on College Avenue from the 8 freeway

Take Canyon Crest Drive all the way around (under the trolley bridge and up a small grade to the soccer field).

Look for the big parking structure (that is Parking structure 12 – you cannot miss it)

Park

Then walk across the foot bridge on level 4 to the campus (it's the only foot bridge to campus).

Go through the first building (enter and you will see the Native Resource Center – Say Hi)

Keep going until you reach a street that is on campus.

Take a left and walk to the large building at the end - That's the Arts and Letters Building.

Room 105.
